## SUMMARY

Engineering graduate who works at the intersection of markets, products, and execution, structuring ambiguous, zero-to-one problems across consulting, product, and early-stage ventures. Two years bridging client needs and engineering delivery, building go-to-market motions from scratch, and leading partnership functions, backed by a public practice of hypothesis-led analytical writing.

## EDUCATION

**JSS Academy of Technical Education, Noida (AKTU)** *Noida, India*

Bachelor of Technology, Electronics & Communication Engineering | CGPA: 7.99/10.0 | Nov 2022 - Jun 2026

**Certifications:** McKinsey Forward Program (McKinsey.org) | Foundations of Project Management (Google) | Goldman Sachs Operations Job Simulation (Forage) | NEC'24 Advanced Track, Top 30 (E-Cell, IIT Bombay)

## PROFESSIONAL EXPERIENCE

**The Third Orbit, Founder & CEO** *Noida, India (Remote) | Jul 2026 - Present*

- Formalized informal advisory work previously delivered to individual founders and legacy businesses into a structured, two-segment practice, defining service lines and target-segment logic to extend reach beyond personal network.
- Converted 3 of 7 engaged prospects to paid clients across branding, marketing, and sales-funnel engagements within the first two weeks, prioritizing international clients for their higher value orientation over cost sensitivity.

**Shyphan AI Solutions, Product & Systems Analyst** *Noida, India (On-site) | Dec 2025 - Jun 2026*

- Diagnosed and translated ambiguous client requirements into structured, Zoho-based system specifications across 17+ engagements (3 large enterprises, 14+ SMBs), evaluating standardization-versus-customization trade-offs that informed 3 new productized service initiatives.
- Led brand positioning and narrative strategy for 2 legacy-business clients alongside core analyst duties; one campaign reached break-even on a roughly Rs. 2.25 lakh growth budget within its first month.

**Outcome Outing, Product & Strategy Lead** *Noida, India (On-site) | May 2025 - Nov 2025*

- Structured an undefined founder-retreat concept into a formal offering from day zero, synthesizing input from 30+ early-stage founders to define positioning, format, and target customer profile.
- Converted 15 attendees at a Rs. 25,000 list price for the inaugural retreat through a paid-social and outbound sales channel, accepting a small planned loss to establish premium positioning, a decision that became the template for future retreats and led to formalizing the business.

**Snap India Trip, Market Research & Partnerships Analyst** *Noida, India (Remote) | Jun 2024 - Dec 2024*

- Converted 11 international Destination Management Company partnerships across multiple regions, screening each prospect on booking volume and partnership track record before pursuing multi-round negotiations.
- Translated structured research on foreign traveler expectations, including accessibility needs, into curated multi-city itineraries and the UX flow for the company's booking web application.

*Additional Experience: Business Development Representative, Weyai (Feb - Apr 2025) | Founder's Office, Webinix Solutions (Mar - May 2024)*

## LEADERSHIP & ECOSYSTEM EXPERIENCE

**Entrepreneurship Development Cell (EDC), JSSATE Noida** *Executive Member -> Outreach Lead -> Vice President | Mar 2023 - Jun 2026*

- Progressed from Executive Member to Vice President over three years, setting strategic direction for the college's entrepreneurship platform and mentoring 20+ core members, including launching Builders' Blueprint, a monthly learning series with founders and alumni.
- Closed 13+ sponsorship partnerships for EDC's own events as Outreach Lead, building repeatable outreach and negotiation frameworks later used to train junior members.
- As Co-Head, Sponsorship & Partnerships for Zealicon 2025 (JSSATE's annual fest, 15,000+ attendees), secured 8 sponsorship partnerships worth Rs. 15+ lakh within a 1-2 month sprint, designing standardized outreach scripts and MoU workflows.
