Education

Bachelor of Technology (B.Tech) in Electronics & Communication Engineering

JSS Academy of Technical Education, Noida (Affiliated to AKTU)

Nov 2022 – Jun 2026 (Expected)

GPA: 7.84 / 10.0

Certification:

NPC 2025 – Ministry of Education, Govt. of India

NEC'24 Advanced Track – Top 30 (IIT Bombay)

Professional Experience

Shyphan

Noida (On-site)

Product & Systems Analyst, Full-time

Dec 2026 – Present

- Worked closely with SMB customers to uncover recurring operational and workflow challenges, gaining exposure to real-world problem patterns across industries.
- Evaluated market demand and feasibility for new product ideas, helping shape offerings from concept to build-ready specifications.
- Observed early-stage product decision-making, including trade-offs between customization, scalability, and speed to market.
- Supported early commercialization efforts by contributing to customer segmentation, value proposition articulation, and go-to-market thinking.

Outcome Outing

Noida (On-site)

Product & Strategy Lead (*Project-based* → *Advisory*)

May 2025 – Nov 2025

- Worked with the founding team from day zero to shape a community-driven platform for early-stage founders.
- Gained close exposure to founder pain points across product, fundraising, and scaling through curated, mentor-led cohort experiences.
- Helped structure an alternative founder support model focused on peer learning, mentorship, and network density rather than traditional programs.
- Participated in early programs, building first-hand understanding of founder behavior, incentives, and challenges

WeyaAI

Noida (Remote)

Business Development Representative

Feb 2025 – Apr 2025

- Engaged with enterprise buyers to understand adoption drivers, objections, and buying dynamics for B2B voice AI products.
- Observed early-stage GTM challenges, including long sales cycles, POC-led validation, and stakeholder-driven decision-making.
- Synthesized buyer insights from discovery calls and fed structured feedback to the product team to inform solution positioning.

Snap India Trip

Noida (Remote)

Market Research & Partnerships Analyst

Jun 2024 – Dec 2024

- Analyzed cross-border customer preferences and demand drivers in the inbound travel market for foreign tourists.
- Gained exposure to partnership-led business models through collaboration with international destination management companies.

Webinix Solutions

Noida (Remote)

Marketing & Operations

Mar 2024 – May 2024

- Gained early exposure to startup execution by supporting the founder across customer acquisition, feedback-driven iteration, and day-to-day operations.

Leadership & Activities

Entrepreneurship Development Cell (EDC), JSSATE Noida

Vice President (Jun 2025 – Present) | Outreach Lead (Jul 2024 – Jun 2025) | Executive

Member (Mar 2023 – Jul 2024)

- Worked closely with startup founders, operators, and ecosystem stakeholders through college-led entrepreneurship initiatives.
- Helped design programs and discussions focused on product, fundraising, and early-stage scaling challenges.
- Gained repeated exposure to founder thinking, problem patterns, and execution constraints through direct interaction and mentorship.

Zealicon 2025 - (Annual Cultural & Technical Fest | ~10,000 attendees)

Sponsorship & Partnerships (Co-Head)

- Secured **₹15+ lakh in sponsorships** by engaging brands and leveraging alumni and ecosystem networks.
- Gained hands-on experience in fundraising-style negotiations, partnership structuring, and stakeholder management.
- Activated alumni relationships for strategic and financial support.
